Patron Registration Policy

Approved by the Library Board of Trustees on September 8, 2011
Revised by the Library Board of Trustees on February 11, 2016

Your library card opens the door to a wealth of information, entertainment, and discovery. A Crook County Library card is free to all Crook County residents or property owners. Youth under 17 years old are welcome to get a card once their parent or legal guardian obtains a card and signs the application for the minor's card. A library card allows you to borrow any of the wide variety of materials and to use the Internet. It also gives you access to the special databases available through the library's website 24 hours a day. Your library card provides access to your confidential information online, by phone, or in person. You are responsible for all fines, fees, and materials checked out on your or your child's library card. Your card may not be used by another person. If any of your personal information changes, please notify the library so your record can be updated. If your card is lost or stolen please contact the library immediately at 541-447-7978 so that we can prevent misuse of your card. A lost card may be replaced for a minimal fee.

Youth Under 17

For those under the age of 17, the parent or legal guardian needs to have a current unrestricted library card, and their signature is required in person on the minor's library card application. Legal guardians need to show court-approved documents of guardianship or other approved form establishing guardianship or authority to act on behalf of the minor.

By filling out the appropriate information and signing the application, the parent or legal guardian is responsible for:

- All materials checked out on the library card
- Fines or fees incurred by the use of the card
- Deciding what materials are appropriate for their children or young adults
- Deciding what type of computer and Internet access they wish for their child.

Nonresident Library Cards

Individuals not eligible for a free library card may purchase a library card for either 3 months or 12 months of library service. All members of a nonresident household, listed in the borrower record, may use the card. Nonresident borrowers must present library card for service. To obtain a nonresident card, patrons must visit the library in person and present photo ID and proof of address. After the card has been obtained, renewal fees may be submitted by mail.

Fees for purchase of a library card and replacement are set by the library board of trustees and approved by the Crook County Court and may be changed without separate notification.

Courtesy Library Cards

A 60-day card is available to provide library access and services to the Crook County homeless population or residents who do not have a permanent address or are in transitional or temporary housing. The card allows checkout of 8 items at any one time, and entitles the user to public computer privileges. To obtain a courtesy card, patrons must provide photo ID:

- Driver's license (may be expired, but not a photocopy)

- Military ID card
- Passport

At the end of the 60-day period the card will expire. The patron may obtain a regular library card, a nonresident card, or request an extension of the Courtesy Card. Courtesy card borrowers must present library card for service.
