## **2. PREMISES.**

### **A. Leased Premises.**

County hereby leases to Lessee, pursuant to the rents, conditions, and terms herein, and solely for the purpose of approved non-commercial aeronautical activities, 14,175 square feet of ground space (the "Leased Premises") at the Airport in Crook County, Oregon, identified and generally described on Exhibit A, attached and incorporated herein.

### **B. Condition of Leased Premises.**

Lessee warrants and represents that Lessee has carefully and completely examined and inspected the Leased Premises, and Lessee fully understands its responsibilities and obligations with respect to the Leased Premises and this Agreement. Lessee accepts the Leased Premises in an "AS IS", "WHERE IS" condition without representation or warranties from County as to the condition, suitability, environmental condition, or sufficiency of the Leased Premises for engaging in the non-commercial aeronautical activity described or contemplated by this Agreement. Lessee, at its sole cost and expense, agrees that it shall be fully responsible for the remediation of any violation of any applicable federal, state, or local environmental regulations or standards on the Leased Premises.

## **3. LEASE TERM.**

### **A. Initial Term.**

Starting on the Commencement Date, the Leased Premises will be leased for a term of Twenty years (the "Initial Term"), unless earlier terminated pursuant to the terms of this Lease.

### **B. Extended Term.**

If Lessee is not in default under the Lease, Lessee has the option to extend the term for two additional period(s) of 10 years (the "Extended Term") by providing written notice thereof to County not more than 180 days or less than 90 days before the expiration of the Initial Term or the first Extended Term (for purposes of this Agreement, both the Initial Term and the Extended Term(s) may hereafter be referred to simply as the "Term"), on the condition that said written notice includes, as an exhibit, a professional, independent commercial inspection of the hangar and improvements, performed no more than six months before the date of the written notice, showing an expected useful life of the hangar of greater than 15 years from the date of the end of the expiring Term.

### **C. Holdover.**

There shall be no holdover period. Should Lessee remain in possession after the expiration of the Term, Lessee will be considered a tenant at sufferance, which County may consider as triggering the termination, remedy, and surrender provisions of sections 10 – 12 below at any time without notice and Lessee will be liable for any and all damages resulting from such unauthorized holdover, including but not limited to any and all damages that County is required to pay a new tenant for failing to timely deliver any portion of the Leased Premises or the Improvements.

## **4. RENT.**

### **A. Initial Rent.**

Lessee shall pay Initial Rent of \$0.00 plus Rent, as defined in paragraph B, below, prorated for the current year ending December 31. Initial Rent and Rent for the first year is due and payable upon the signing of this Lease. Page 109

## B. Rent for Term.

Subject to paragraph C below, Lessee shall pay annual Rent at the rate of \$0.31 per square foot for the Leased Premises and Impact Area space—a sum area of 34,508 square feet—for a total of \$10697.48 per year of this lease term. The Impact Area is measured from the boundary line of the Leased Premises to the midpoint of the centerline of the taxiway and the length of all setbacks. The Impact Area around the Leased Premises is 20,333 square feet. Rent for each subsequent year of the Term is due each December 31. Any payments not received by December 31st will trigger the default provisions of 10.B.i below. All payments shall be made to the County. County hereby reserves the right to institute additional rent, in its sole discretion calculated to cover documented common-area maintenance expenses and applicable to all Airport tenants.

## C. Adjustment of Rent.

Rent will be adjusted annually effective on January 1<sup>st</sup> (the “Adjustment Date”). The County will deliver notice to Lessee of the amount of the adjustment and the new Rent not less than 30 days before Rent is due each year, calculated pursuant to the provisions below. In no event will annual adjustment operate to decrease Rent.

- **Annual Adjustment:** For the duration of the Term, before each annual due date for Rent except for those years subject to an Appraisal Adjustment, the County will adjust the rent in the same percentage as the increase, if any, in the Consumer Price Index (the “Index”) published by the United States Department of Labor, Bureau of Labor Statistics. The increase will be computed by comparing the schedule entitled “U.S. City Average, All Items, All Urban Consumers, 1982–84=100” for the month of October in the year of the Commencement Date or the prior year’s Rent, as applicable, and October’s figures for the current year of the Adjustment Date. All comparisons will be made using Index figures derived from the same base period. If the Index cited above is revised or discontinued during the Term, then the Index that is designated to replace it by BOMA Oregon will be used.
- **Appraisal Adjustment:** At five-year intervals, the next coming in 2025, the County will procure an Appraisal Report, consistent with Title XI of the Financial Institutions Reform, Recover, and Enforcement Act of 1989 (FIRREA) and the Uniform Standards of Professional Appraisal Practice (USPAP) to ascertain Fair Market Rent for all leased space at the Airport, which will form the basis for the adjustment of Rent in that fiscal year.

## 5. TAXES AND ASSESSMENTS.

Lessee agrees to timely pay any and all federal, state, or local taxes or assessments which may lawfully be levied against Lessee due to Lessee’s use or occupancy of the Leased Premises or any improvements or property placed on the premises by Lessee as a result of its occupancy.

## 6. INSURANCE.

Lessee shall be responsible for any and all property damage insurance for Lessee’s hangar, aircraft, and other property on the Leased Premises. Additionally, Lessee, at its sole cost and expense, shall procure and maintain at all times, in full force and effect during the Term of the Lease, a policy or policies of insurance, naming Crook County and the City of Prineville as additional insureds and covering all risks arising directly or indirectly out of Lessee’s activities at the Leased Premises, including but not limited to (1) coverage for hangar premises liability of others; (2) aircraft liability; and (3) if Lessee or any occupant of the Leased Premises has property of others, including aircraft, in their care, custody, or control then they shall maintain hangar keeper’s liability coverage with limits adequate to cover the potential damage. The limits for all such policies

shall exceed the minimum of the current statutory limits of liability for the County under the Oregon Tort Claims Act, which as of June 2023 are \$1,000,000 per occurrence and \$2,000,000 in the aggregate. Evidence of the required insurance coverages issued by an insurance company satisfactory to the County shall be provided to the County by way of a County-approved certificate of insurance upon execution of a Lease and each time Rent is due. The certificate of insurance shall contain a requirement that the insurance company notify the County 30 days prior to any cancellation or material change in coverage. If the approved insurance company will not provide this 30-day notice, Lessee shall provide written notice to the County within two calendar days after Lessee becomes aware that its coverage has been cancelled or has been materially changed. Regardless of what circumstances caused Lessee's insurance coverage to cease or be modified, it is Lessee's responsibility to notify the County.

#### **7. RELEASE AND INDEMNIFICATION.**

Lessee assumes all liability and responsibility for property loss, property damage, and/or personal injury of any kind, including death, to any and all persons, of any kind or character, whether real or asserted, arising out of or in connection with its use of the Airport under the Lease or with the leasing, maintenance, use, occupancy, existence, or location of the Leased Premises, except to the extent caused by the gross negligence or willful misconduct of the County or Airport Manager, its officers, agents, servants, or employees.

Lessee covenants and agrees to, and does to the extent allowed by law, without waiving any defenses provided by law, hereby indemnify, hold harmless, and defend the County, City of Prineville and Airport Manager, their officers, agents, servants, and employees from and against any and all claims or lawsuits for either property damage or loss and/or personal injury, including death, to any and all persons, of any kind or character, whether real or asserted, arising out of or in connection with Lessee's use of the Airport under the Lease or with the use, leasing, maintenance, occupancy, existence, or location of the Leased Premises, except to the extent caused by the gross negligence or willful misconduct of the County or Manager, its officers, agents, servants, or employees.

Lessee assumes all responsibility and agrees to pay County, City of Prineville, and Airport Manager for any and all injuries or damages to the County's property which arise out of or in connection with any and all acts or omissions of Lessee, its officers, agents, employees, contractors, subcontractors, licensees or invitees, except to the extent caused by the gross negligence or willful misconduct of County, City of Prineville, and Airport Manager, their officers, agents, servants, or employees.

County, City of Prineville and Airport Manager do not guarantee police protection to Lessee, sublessees, or their property. The County is obligated only to provide security adequate to maintain the County's certification under FAA regulations. Lessee shall comply with all applicable regulations of the FAA relating to airport security. Lessee shall pay all fines imposed by the FAA on the County, Airport Manager or Lessee resulting from Lessee's or any sublessees' failure to comply with such FAA regulations or to prevent unauthorized persons or parties from their obtaining access to the air operations area of the Airport from the Leased Premises.

#### **8. COMPLIANCE WITH ALL LAWS.**

Lessee hereby agrees to comply with all local, state, and federal laws, ordinances, rules and regulations as they may exist or be enacted in the future. Moreover, Lessee makes the following covenants.

**A. Non-Discrimination.**

The Lessee and all heirs, successors, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this Lease for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

The Lessee and all heirs, successors, and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that:

- (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities;
- (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; and
- (3) that the Lessee shall use the premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

If Lessee provides any services at the Airport in relation to this Lease, Lessee hereby covenants that it will furnish said services on a reasonable basis to all users thereof, charge reasonable prices for each unit or service, and not unjustly discriminate in any manner thereof.

**9. SALE OF THE HANGAR AND IMPROVEMENTS.**

If at any time during the Term, Lessee intends to sell the Improvements on the Leased Premises, any proposed sale to a third party requires the prior written consent of County. With said consent, County will provide either an assignment of this Lease to the new purchaser or terminate this Lease and offer the new purchaser a new lease with the same Term ending date as this Lease.

**10. TERMINATION AND DEFAULT.**

**A. Termination**

This Lease shall terminate automatically at the expiration of the Term.

**B. Default.**

The occurrence of any one or more of the following constitutes an event of Default under this Lease:

- i. If Lessee fails to pay any rent, fees, or other charges due under this Lease, County shall deliver to Lessee a written invoice and notice to pay the invoice within ten calendar days. If Lessee fails to pay the balance outstanding within such time, County shall have the right to terminate this Lease immediately;
- ii. Failure by Lessee to complete construction of the Project within the time allotted in the Lease Policy;

- iii. Failure by Lessee to pay any taxes or assessments when due;
- iv. Failure by Lessee to obtain and maintain any insurance or provide evidence of insurance as required by the terms of this Lease and such failure continues and is not remedied within 10 days after notice thereof is given to Lessee;
- v. Failure by Lessee, whether by action or inaction, to comply with any term or condition or fulfill any obligation under this Lease (other than i and iv, above) and such failure continues and is not remedied within 30 days after written notice thereof is given to Lessee; provided, however, that if the failure is of such a nature that it cannot be cured within said 30-day period, then this provision is satisfied if Lessee begins the cure within the 30-day period and thereafter proceeds with reasonable diligence and in good faith to effect the cure within 90 days after County's notice is given to Lessee;
- vi. Lessee becomes insolvent; Lessee makes an assignment for the benefit of creditors other than a Leasehold Mortgagee as defined in the Lease Policy; Lessee files a voluntary petition in bankruptcy; Lessee is adjudged bankrupt or a receiver is appointed for Lessee's properties; the filing of an involuntary bankruptcy petition and Lessee's failure to secure a dismissal of the petition within 75 days after filing; or the attachment of or the levying of execution on the leasehold interest and Lessee's failure to secure discharge of the attachment or release of the levy of execution within 30 days; or
- vii. Lessee is in default after the lapse of any applicable notice and cure period under any mortgage, deed of trust, or contract of sale secured by the improvements on the Leased Premises.

## **11. REMEDIES.**

### **A. Remedies.**

Upon the occurrence of an event of Default, County may exercise any one or more of the remedies set forth in this section or any other remedy available under applicable law or contained in this Lease:

- i. County may terminate this Lease by written notice to Lessee;
- ii. County or County's agent or employee may immediately or at any time thereafter, without terminating the Lease, reenter the Leased Premises and the Improvements either by summary eviction proceedings or by any suitable action or proceeding at law, or by force or otherwise, without being liable to indictment, prosecution, or damages, and may repossess the same, and may remove any person from the Leased Premises and the Improvements, to the end that County may have, hold, and enjoy the Leased Premises and the Improvements. RE-ENTRY OR TAKING POSSESSION OF THE LEASED PREMISES OR THE IMPROVEMENTS BY COUNTY WILL NOT BE CONSTRUED AS AN ELECTION ON ITS PART TO TERMINATE THIS LEASE UNLESS A WRITTEN NOTICE OF SUCH INTENTION IS GIVEN TO LESSEE.
- iii. Whether or not County retakes possession of or relets the Leased Premises and the improvements, County has the right to recover its damages, including without limitation all lost rentals, all legal expenses, all costs incurred by County in restoring the Leased Premises or otherwise preparing the Leased Premises and the improvements for reletting, and all costs incurred by County in reletting the Leased Premises and the improvements.
- iv. To the extent permitted under Oregon law, County may sue periodically for damages as they accrue without barring a later action for further damages. County may in one action recover accrued damages plus damages attributable to the remaining Term equal to the difference between

the Rent reserved in this Lease for the balance of the Term after the time of award and the fair rental value of the Leased Premises and the improvements for the same period, discounted at the time of award at a reasonable rate not to exceed 10 percent per annum. If County relets the Leased Premises and the improvements for the period that otherwise would have constituted all or part of the unexpired portion of the Term, the amount of rent reserved on the reletting will be deemed to be the fair and reasonable rental value for the part or the whole of the Premises and the Improvements so relet during the term of the reletting.

**B. County's Self-Help Right.**

If Lessee at any time (a) fails to pay any tax or assessment in accordance with the provisions of this Lease, (b) fails to make any other payment required under this Lease, or (c) fails to perform any other obligation on its part to be made or performed under this Lease, then after 10 days' written notice to Lessee (or without notice in the event of an emergency) and without waiving or releasing Lessee from any obligation of Lessee contained in this Lease or from any default by Lessee and without waiving County's right to take any action that is permissible under this Lease as a result of the Default, County may, but is under no obligation to, (i) pay any tax, assessment, or make any other payment required of Lessee under this Lease, and (ii) perform any other act on Lessee's part to be made or performed as provided in this Lease, and may enter the Leased Premises and the Improvements for any such purpose, and take any action that may be necessary. All payments so made by County and all costs and expenses incurred by County, including reasonable attorney fees, in connection with the performance of any such act, will constitute additional Rent payable by Lessee under this Lease and must be paid to County on demand.

**C. No Waiver.**

No failure by County to insist on the strict performance of any agreement, term, covenant, or condition of this Lease or to exercise any right or remedy consequent upon a breach, and no acceptance of full or partial Rent during the continuance of any such breach, constitutes a waiver of any such breach or of such agreement, term, covenant, or condition. No agreement, term, covenant, or condition to be performed or complied with by Lessee, and no breach by Lessee, may be waived, altered, or modified except by a written instrument executed by County. No waiver of any breach will affect or alter this Lease, but each and every agreement, term, covenant, and condition of this Lease will continue in full force and effect with respect to any other then-existing or subsequent breach.

**D. Remedies Cumulative and Nonexclusive.**

Each right and remedy provided for in this Lease is cumulative and is in addition to every other right or remedy provided for now or hereafter existing at law or in equity or by statute or otherwise, and County's or Lessee's exercise or beginning to exercise of any one or more of the rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise will not preclude the simultaneous or later exercise by the party in question of any or all other rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise.

**12. SURRENDER.**

County is not responsible for any loss or damages occurring to any property owned by Lessee or any sub-lessee. The provisions of this section 12 survive any termination of this Agreement.

**A. No Delay.**

Except as otherwise provided herein, on the last day of the Term or the last day Lessee is entitled to possession of the Leased Premises under this Lease, if the Parties are not then negotiating a new lease, Lessee shall surrender and deliver up the Leased Premises to County without delay.

**B. Removal of Property.**

If Lessee is still entitled to possession, Lessee may remove the hangar, other improvements, and personal property of Lessee, a sublessee, or any other guest/invitee (collectively, "Lessee's Property") on the Leased Premises so long as said improvements are removed on or before the last day that the Lessee is entitled to possession of the Leased Premises. After removal of said improvements, Lessee shall place the premises in a clean and buildable site leaving all utility hookups in place. Any of Lessee's Property that remains on the Leased Premises after the termination of this lease may, at the option of County (1) be deemed to have been abandoned by Lessee or such sub-lessee and may either be retained by County as its property and all rights of Lessee with respect to it will cease or be disposed of, without accountability, in such manner as County sees fit, or (2) if County gives written notice to Lessee to such effect, such property shall be removed by Lessee at Lessee's sole cost and expense. If County elects to hold Lessee to Lessee's obligation to remove, County may effect a removal and place the cost of removal, transportation to storage, and storage on Lessee.

**13. RIGHTS AND RESERVATIONS OF COUNTY.**

**A. Hazards.**

County reserves the right to take any action it considers necessary to protect the aerial approaches of the Airport against obstruction, including, but not limited to, the right to prevent Lessee from erecting or permitting to be erected any building or other structure which, in the opinion of County, would limit the usefulness of the Airport, constitute a hazard to aircraft or diminish the capability of existing or future avigational or navigational aids used at the Airport.

**B. Development.**

County reserves the right to develop and improve the Airport as it sees fit, regardless of the desires or view of Lessee, and without interference or hindrance by or on behalf of Lessee. Accordingly, nothing contained in this Lease shall be construed to obligate County to relocate Lessee as a result of any such Airport developments or improvements.

**C. Subordination.**

This Lease shall be subordinate to the provisions of any existing or future agreement between County and the United States Government, which relates to the operation or maintenance of the Airport and is required as a condition for the expenditure of federal funds for the development, maintenance or repair of Airport infrastructure. In the event that any such existing or future agreement directly causes a material restriction, impairment or interference with Lessee's primary operations on the Leased Premises (referred to as a "Limitation") for a period of less than seven calendar days, this Lease shall continue in full force and effect. If the Limitation lasts more than seven calendar days, Lessee and County shall negotiate in good faith to resolve or mitigate the effect of the Limitation.

If Lessee and County are in good faith unable to resolve or mitigate the effect of the Limitation, and the Limitation lasts between seven and 180 days, then for such period:

- (i) Lessee may suspend the payment of any rent due hereunder;

- (ii) subject to ordinary wear and tear, County shall maintain and preserve the Leased Premises and its improvements in the same condition as they existed on the date such Limitation commenced; and
- (iii) the term of this Lease shall be extended, at Lessee's option, for a period equal to the duration of such Limitation.

If the Limitation lasts more than 180 days, then

- (i) County and Lessee may, but shall not be required to, (a) further adjust the payment of rent and other fees or charges, (b) renegotiate maintenance responsibilities and (c) extend the term of this Lease, or
- (ii) Lessee may terminate this Lease upon 30 days' written notice to County.

#### **D. National Emergencies.**

During any war or national emergency, County shall have the right to lease any part of the Airport, including its landing area, to the United States Government. In this event, any provisions of this Lease which are inconsistent with the provisions of the lease to the Government shall be suspended. County shall not be liable for any loss or damages alleged by Lessee as a result of this action. However, nothing in this Lease shall prevent Lessee from pursuing any rights it may have for reimbursement from the United States Government. If any lease between County and the United States Government executed pursuant to this section D directly causes a Limitation for a period of less than seven (7) calendar days, this Lease shall continue in full force and effect. If the Limitation lasts more than seven (7) calendar days, Lessee and County shall negotiate in good faith to resolve or mitigate the effect of the Limitation. If Lessee and County are in good faith unable to resolve or mitigate the effect of the Limitation, then the provisions of subsection C above, shall apply.

#### **E. Sponsor Assurances.**

County covenants and agrees that during the term of this Lease it will operate and maintain the Airport and its facilities as a public airport consistent with and pursuant to the Sponsor's Assurances given by County to the United States Government through the Federal Airport Act; and Lessee agrees that this Lease and Lessee's rights and privileges hereunder shall be subordinate to the Sponsor's Assurances.

#### **F. Easements.**

Lessee's rights hereunder shall be subject to all existing and future utility and drainage easements and rights-of-way granted by County for the installation, maintenance, inspection, repair or removal of facilities owned or operated by electric, gas, water, sewer, communication or other utility companies. Lessee's rights shall additionally be subject to all rights granted by any ordinance or statute which allows utility companies to use publicly owned property for the provision of utility services.

#### **G. Relocation of Hangar and Leased Premises.**

The precise location of the Leased Premises where the hangar is located is subject to County's discretion and modification. County may compel relocation of the hangar at any time, in which case County will be responsible for all reasonable relocation costs. Lessee will be responsible for all Hangar relocation/reassembly costs when the relocation/reconstruction is at the request and sole benefit of Lessee, or if relocation is due to termination of this Agreement.

#### **H. Lien Granted to County.**

Lessee hereby grants County a lien against the Improvements, aircraft, and all personal property that Lessee stores in the hangar. This lien exists and continues for all unpaid amounts that Lessee may owe County, from time to time, and County's assertion of the lien does not relieve Lessee from the obligation to pay the monthly rent as provided in this Agreement. In the event Lessee does not fully and immediately discharge a

unpaid amounts, County is hereby granted and has the right to take and recover possession of the Improvements and satisfy its lien in accordance with Oregon law. The County may also take and recover possession of the stored aircraft and personal property, without notice or other action, exercise its lien against the same, and have and recover all costs and expenses including attorney's fees in connection with the repossession of said hangar, Improvements, aircraft, or personal property and assertion of the lien.

#### **14. MISCELLANEOUS.**

##### **A. Governmental Powers.**

Nothing in this lease should be construed or interpreted to mean that the County waives, surrenders, or sacrifices any of its governmental powers in any way.

##### **B. Licenses and Permits.**

Lessee shall, at its sole expense, obtain and keep in effect all licenses and permits necessary or required for its operations at the Airport.

##### **C. Relationship of the Parties.**

Nothing contained in this Lease is to be deemed or construed, either by the Parties to this Lease or by any third party, to create the relationship of principal and agent or to create any partnership, joint venture, or other association between County and Lessee.

##### **D. Cooperation between Tenants.**

Lessee must cooperate with all other tenants and users of the Airport and must at all times use the Leased Premises and the Airport in such a manner as to avoid interference with the activities of other Airport users and tenants. Any difference or conflict that may arise between Lessee and other users or tenants will be resolved by the County in the County's sole discretion and not subject to challenge or appeal. If Lessee's lawful enjoyment of the Leased Premises is impaired because of any act or omission of another tenant, Lessee will have no claim against County or its agents.

##### **E. Survival.**

All agreements set forth in this Lease, the full performance of which are not required before the expiration or earlier termination of this Lease, will survive the expiration or earlier termination of this Lease and be fully enforceable thereafter.

##### **F. Severability.**

If any term or provision of this Lease or the application of the Lease to any person or circumstance is, to any extent, held to be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, will not be affected, and each term and provision of this Lease will be valid and be enforced to the fullest extent permitted by law.

##### **G. Non-Waiver.**

The failure of County to insist upon the performance of any term or provision of this Lease or to exercise any right granted herein shall not constitute a waiver of County's right to insist upon appropriate performance or to assert any such right on any future occasion.

##### **H. Force Majeure.**

If either party's performance of an obligation under this Lease (excluding a monetary obligation) is delayed or prevented in whole or in part by (a) any legal requirement (and not attributable to an act or omission of the party); (b) any act of God, fire, or other casualty, flood, storm, explosion, accident, epidemic, war, civil disorder, strike, or other labor difficulty; (c) shortage or failure of supply of materials, labor, fuel, power, equipment, supplies, or transportation; or (d) any other cause not reasonably within the party's control, whether or not the cause is specifically mentioned in this Lease, the party will be excused, discharged, and released of performance to the extent that such performance or obligation (excluding any monetary obligation) is so limited or prevented by the occurrence without liability of any kind.

**I. Condemnation.**

If the whole of the Leased Premises is taken by a public authority under the power of eminent domain, then the Term of this Agreement will cease on the day of possession by said public authority. If only a part of the Leased Premises is taken under eminent domain, Lessee will have the right to either terminate this Agreement or to continue in possession of the remainder of the Leased Premises. If Lessee remains in possession, all of the terms of this Agreement will continue in full force and effect, with Rent reduced proportionately pursuant to the non-condemned and Lessee-occupied square footage.

**J. Nonmerger.**

There may be no merger of this Lease, or of the leasehold estate created by this Lease, with the fee estate of the Leased Premises.

**K. Costs and Attorney Fees.**

In the event there should be a breach or default under any provision of this Lease and either party should retain attorneys or incur other expenses for the collection of rent, fees or charges, or the enforcement of performance or observances of any covenant, obligation or agreement, County and Lessee agree that each party shall be responsible for its own attorneys' fees.

**L. Applicable Law and Venue.**

This Agreement shall be construed in accordance with and governed by the laws of the State of Oregon. The Parties agree that any civil action will be brought in the circuit court in Crook County.

**M. Signature Authority.**

The person signing this agreement hereby warrants that he/she has the legal authority to execute this agreement on behalf of the respective party, and that such binding authority has been granted by proper order, resolution, ordinance or other authorization of the entity. Each party is fully entitled to rely on these warranties and representations in entering into this Agreement or any amendment hereto.

**N. Binding Effect.**

The covenants and agreements contained in this Lease are binding on and inure to the benefit of County, Lessee, and their respective successors and assigns.

**O. Recordation.**

This Agreement shall not be recorded. Lessee may elect that a memorandum of lease be executed and acknowledged by both parties and recorded in the public records of Crook County, at Lessee's cost.

**P. Time Is of the Essence.**

Time is of the essence as to the performance of all the covenants, conditions, and agreements of this Lease.

**Q. Interpretation.**

In interpreting this Lease in its entirety, there must be no inference, by operation of law or otherwise, that any provision of this Lease may be construed against either party hereto. County and Lessee acknowledge that they and their counsel have reviewed and revised this Lease and that any otherwise applicable rule of construction or any other presumption to the effect that any ambiguities are to be resolved against the drafting party will not be used in the interpretation of this Lease or any exhibit or amendment hereto.

**R. Headings, Captions, and References.**

The headings and captions contained in this Lease are for convenience only and do not in any way define, describe, limit, or amplify the scope or intent of this lease or any term or provision in it. The use of the term “Herein” refers to this Lease as a whole, inclusive of the Exhibits, except when noted otherwise. The use of a masculine or neuter gender in this Lease includes the masculine, feminine, and neuter genders and the singular form includes the plural when the context so requires.

**S. Entire Agreement.**

This Lease contains the entire agreement between the parties and, except as otherwise provided by the Rules and Regulations and Lease Policy, can be changed, modified, amended, or terminated only by an instrument in writing executed by the parties. Lessee and County mutually acknowledge and agree that there are no verbal agreements or other representations, warranties, or understandings affecting this Lease.

**T. Counterparts.**

This Agreement may be executed in one or more counterparts, including electronically transmitted counterparts, which when taken together shall constitute one in the same instrument. Facsimiles and electronic transmittals of the signed document shall be binding as though they were an original of such signed document.

IN WITNESS WHEREOF, the Parties have executed this Agreement to be effective the date first set forth above.
