MEASURE NO. _____

BALLOT TITLE

**GIVES VOTERS OPTION TO RANK CANDIDATES IN ORDER OF PREFERENCE;
CANDIDATE RECEIVING MAJORITY OF VOTES WINS.**

Result of “Yes” Vote: “Yes” vote gives voters the option to rank candidates in order of preference for specified federal and statewide offices. Establishes process for tallying votes in rounds, with the candidate receiving the fewest votes in each round being defeated and votes for the defeated candidate going to the voter’s next-highest ranked active candidate. Requires that candidate must receive majority of votes to win election.

Result of “No” Vote: “No” vote maintains current voting system. Voter selects one candidate for federal and statewide offices. Candidate with most votes wins. Majority of votes not required for candidate to win election.

Summary: Current state law requires voters to select only one candidate for each office on the ballot. The candidate with the most votes after a single vote tally wins, even if not a majority. This measure gives voters the option to rank candidates in order of preference using “ranked choice voting.” Under the measure, voters may choose to rank only one candidate or multiple candidates for each office, as well as write in candidate(s). Votes are counted toward each voter’s highest-ranked candidate. If no candidate receives a majority of votes, votes are tallied automatically in rounds. The candidate receiving the fewest votes in each round is defeated. A defeated candidate’s votes go to the voter’s next highest-ranked candidate. The process continues until one candidate has a majority of votes. The measure applies to the nomination and election of President, United States Senator, Representative in Congress, Governor, Secretary of State, State Treasurer and Attorney General, and election of the Commissioner of the Bureau of Labor and Industries. The measure requires the Secretary of State to establish a program to educate voters about how ranked choice voting elections will be conducted. Authorizes local governments to adopt ranked choice voting for elections for local offices. Local governments that adopted ranked choice voting before 2025 may continue to use current method or modify it. The measure applies to elections beginning in 2028.

AN ACT

Relating to ranked choice voting; creating new provisions; amending ORS 244.050, 246.200, 249.088, 249.091, 254.065, 254.145, 254.485 and 258.280; and providing that this Act shall be referred to the people for their approval or rejection.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Sections 2 to 5 of this 2023 Act are added to and made a part of ORS chapter 254.

SECTION 2. (1) Ranked choice voting as conducted in the manner set forth in section 4 of this 2023 Act shall be used to determine the nomination by a major political party for the following offices:

- (a) President of the United States.
- (b) United States Senator and Representative in Congress.
- (c) Governor, Secretary of State, State Treasurer and Attorney General.

(2) Ranked choice voting as conducted in the manner set forth in section 4 of this 2023 Act shall be used at the general election to determine election to the following offices:

- (a) A city may use ranked choice voting to determine election to city office.
- (b) A county may use ranked choice voting to determine election to county office.
- (c) A metropolitan service district organized under ORS chapter 268 may use ranked choice voting to determine election to office of a metropolitan service district.

(d) A school district as defined in ORS 330.005 may use ranked choice voting to determine election to office of the school district.

(e) Any local government or local service district, as both are defined in ORS 174.116, may use ranked choice voting to determine election to office of the local government or local service district.

(2) Unless otherwise prohibited by home rule charter:

(3) Notwithstanding subsection (2) of this section and except as otherwise expressly provided by law, when an election to an office is determined by ranked choice voting, and more than one person is to be elected to a single office, the people elected to the office shall be determined by a proportional methodology adopted by rule by the Secretary of State. Any rules adopted under this subsection shall provide that candidates are elected to office by:

(a) Receiving more votes than a threshold determined by dividing the total votes counted for active candidates in the first round of tabulation by the sum of the number of people to be elected plus one, with all votes that are received by a candidate that are in excess of the minimum number of votes required to be elected to office being transferred to lower-ranked active candidates in the manner set forth in the proportional methodology adopted by the secretary under this subsection; or

(b) If the number of active candidates is less than or equal to the number of seats remaining to be filled, by being one of the active candidates.

(4) This section may not be interpreted to limit, restrict or preempt a major political party from selecting delegates for President of the United States according to party rules that are not inconsistent with ORS chapter 248.

(5)(a) The Secretary of State, in consultation with county clerks and elections officers as defined in ORS 255.005, shall adopt rules necessary for the implementation of this section, including, but not limited to:

(A) Determining the number of qualified candidates and qualified write-in candidates that are practicable to be ranked on the ballot for the purposes of subsection (2)(a) of this section;

(B) The tally processes for ranked choice voting; and

(C) Clearly defining any processes and terms needed for effectively implementing ranked choice voting.

(b) Prior to adopting rules relating to the nomination of candidates for President of the United States, the secretary shall also consult with, and receive input from, the Oregon chairperson from each major political party.

(6) As used in this section:

(a) "Active candidate" means a candidate who has not, for the election at which ballots are being tallied:

(A) Withdrawn;

(B) Been defeated; or

(C) Been nominated or elected.

(b) "Highest-ranked active candidate" means the active candidate assigned to a higher ranking on a ballot than any other active candidate.

(c) "Ranking" means the number available to be assigned by an elector to a candidate to express the elector's choice for that candidate, with the number 1 being the highest ranking, followed by the number 2, then the number 3, with any additional rankings authorized under this section following sequentially.

(d) "Round" means an instance of the sequence of voting tabulation:

(A) In the manner described in subsection (2)(b) of this section for elections in which no more than one person is to be elected to a single office;

(B) Adopted under subsection (3) of this section for elections in which more than one person is to be elected to a single office; or

(C) Established in conformity with subsection (4) of this section for the presidential primary election of a major political party.

SECTION 5. (1) The Secretary of State shall by rule establish a program to educate electors about how ranked choice voting will be conducted in elections held in this state.

(2) The program established under this section shall:

(a) Involve community-based organizations;

(b) Be culturally appropriate; and

(c) When more than one person is to be nominated for or elected to a single office by ranked choice voting, a determination of which persons have received the highest number of votes shall be done in the manner established under section 4 (3) of this 2023 Act.

(2) No measure shall be adopted unless it receives an affirmative majority of the total votes cast on the measure. If two or more conflicting laws, or amendments to the Constitution or charter, are approved at the same election, the law, or amendment, receiving the greatest number of affirmative votes shall be paramount regarding each conflict, even though the law, or amendment, may not have received the greatest majority of affirmative votes.

SECTION 10. ORS 254.145 is amended to read:

254.145. (1)(a) Except as provided in paragraph (b) of this subsection, the names of candidates for nomination for or election to each office shall be arranged on the ballot in the order determined under ORS 254.155.

(b) The names of candidates for the offices of President and Vice President of the United States shall be arranged in groups.

(2) Except as provided in ORS 254.125 and 254.135 and this section, no information about the candidate, including any title or designation, other than the candidate's name, may appear on the ballot.

(3) Spaces shall be provided for any offices appearing on the ballot in which the elector may write the name of any person not printed on the ballot. If a voting machine is used, spaces shall be provided on the ballot, or on separate material delivered to the elector with the ballot, in which the elector may write or enter the names of persons for any offices appearing on the ballot.

(4) On the left margin of the ballot, the name of each group or candidate may be numbered. The blank spaces may not be numbered. A particular number may not be used to designate more than one candidate at any election.

(5) The names of all candidates for the same office shall be listed in the same column on the ballot. If more than one column is needed to list names of all candidates for that office, the names may be arranged in one or more columns in block form. The block shall be set apart by rulings under the title of the office. If a blank space follows the list of candidates, the space shall be in the same column as the names of candidates for that office. If blocks of columns are used, blank spaces shall be included within the ruled block.

(6) The ballot shall be clearly marked to indicate when names of candidates for the office are continued on the following page.

(7) When a measure is submitted to the people, the number, ballot title and financial estimates under ORS 250.125 of each measure shall be printed after the list of candidates. A measure referred by the Legislative Assembly shall be designated "Referred to the People by the Legislative Assembly." A state measure referred by petition shall be designated "Referendum Order by Petition of the People." A state measure proposed by initiative petition shall be designated "Proposed by Initiative Petition."

(8) The ballot shall be printed to give the elector a clear opportunity to designate the elector's choice **or choices** for candidates and approval or rejection of measures submitted.

(9) When an elector is allowed to make only one choice or answer and if a voting machine is not used, the elector shall indicate a preference by making a cross or check mark inside a voting square corresponding to the candidate or answer for which the elector wishes to vote. A voting square may be printed on the blank, write-in vote spaces. However, the elector is not required to place a mark in the voting square corresponding to a name written in a blank space. Words shall be printed on the ballot to aid the elector, such as "Vote for one," "Vote for three," and regarding measures, "Yes" and "No."

(10) When a nomination for or an election to an office is determined by ranked choice voting as provided in section 4 of this 2023 Act, the ballot shall provide the elector with the ability to rank, by choice, write-in candidates and candidates appearing on the ballot for the office. The Secretary of State by rule shall establish a statement to be printed on the ballot

Dear Interested Party:

The Bureau of Land Management (BLM), Prineville District Deschutes Field Office, is seeking input on a proposal in the Horse Ridge Recreation Management Area (project area). The project area is located approximately 13 air miles southeast of Bend, Oregon on the southside of State Highway 20.

The BLM is proposing to:

- Designate a non-motorized transportation system to provide quality recreational opportunities and serve the needs of the local communities.
- Designate existing trails as part of the official trail system, design new trails, and improve existing trails, as needed, to make them more sustainable, safer, challenging, and to mitigate user conflict.
- Re-route trails or sections of trails as needed to protect resources.
- Close (by signing, physical barriers, and/or obliteration) trails through the Horse Ridge Research Natural Area.
- Repair existing or construct new fence around the Horse Ridge Research Natural Area to manage for non-recreational use.
- Expand the Horse Ridge Trailhead, potentially double the parking area from half of an acre to approximately one acre. Add an American with Disabilities Act (ADA) CXT brand toilet and add onto the existing paved walkway to connect the path to the toilet.
- Expand the Big Sagebrush Trailhead, increase the existing parking area from approximately one third of an acre to one acre. Add an ADA CXT brand toilet, two handicap parking spaces, and up to three picnic tables. Pave the walkway from the handicap parking spaces to the toilet and to at least one of the picnic tables.
- Fence in the parcel of BLM-administered land between Frontage Road and Highway 20 to discourage motorized use, illegal target shooting, and trash dumping.
- Improve/sign the Oregon Desert Trail to clearly mark the trail for through-hikers and make the trail multi-use. This may involve trail realignment with proposed mountain bike trails.

Preliminary trail mileage information:

Trails on Horse Ridge	Mileage (approximate)
Currently on the ground (existing)	37
Proposed (new)	44
Oregon Desert Trail	8.5
Planned for closure (includes BLM-administered and private land)	7.2
Total	89.5

The purpose of this letter is to provide you with an opportunity to share any comments or ideas you may have on the proposal described above and to provide other suggestions for this area. Additional information can be accessed on BLM's ePlanning website: <https://eplanning.blm.gov/eplanning-ui/project/2030546/510>. Comments will be used to refine the proposed action, identify issues for further analysis, and develop alternatives. If you have comments that you would like considered, please send them to the BLM by March 13, 2024.

Comments can be submitted in hardcopy, through email and ePlanning, or by calling the BLM. The details for each method are listed below.
