The County shall not reject on the basis of one of the above criteria if an intervening change in ownership within a business shall have resulted in substantial change in the control of said business so that the underlying concern related to performance has been mitigated.

Nothing in this drug testing provision shall be construed as requiring **CONTRACTOR** to violate any legal rights, including constitutional rights, of any employee, including but not limited to selection of which employees to test and the manner of such testing. **CROOK COUNTY** shall not be liable for **CONTRACTOR'S** negligence in establishing or implementing, or failure to establish or implement a drug testing policy, or for any damage or injury caused by **CONTRACTOR'S** employees acting under the influence of drugs while performing work covered by this contract. These are **CONTRACTOR'S** sole responsibilities and nothing in this provision is intended to create any third party beneficiary rights against **CROOK COUNTY**.

13. **CONTRACTOR** may only substitute a first-tier subcontractor that was not disclosed under ORS 279C.585 in accordance with statutory criteria, including demonstration of inadvertent error, the subcontractor's failure or refusal to execute or perform under a written contract, to meet bond requirements, to perform substantially satisfactory work or affirmatively causing substantial delay or disruption to work progress, subcontractor's bankruptcy or insolvency, or failure to be registered with Construction Contractors Board, if required, or otherwise be eligible to work on a public improvement project pursuant to applicable statutory requirements.

14. **CONTRACTOR** is solely responsible for ensuring that any subcontractor selection and substitution has been in accordance with all legal requirements. **CROOK COUNTY** shall not be liable, either directly or indirectly, in any dispute arising out of the **CONTRACTOR'S** actions with regard to subcontractor selection and substitution.

15. **CROOK COUNTY** reserves the right to reject any bid or to refuse delivery of materials or services at or from any manufacturer, plant, or contractor with which **CROOK COUNTY** has reasonable grounds to believe is or may be operating in violation of any local, state, or federal laws, or which is the subject of pending litigation.

16. Modifications or amendments to this contract shall be effective only if in writing and executed by both parties. This document is the entire, final, and complete agreement of the parties pertaining to this Construction Contract, and supersedes and replaces all prior or existing written and oral agreements between the parties or their representatives.

17. **CONTRACTOR** shall make payment promptly, as due, to all persons supplying to such **CONTRACTOR** labor or material for the prosecution of the work provided for in the contract, and shall be responsible for payment to such persons supplying labor or material to any subcontractor.

18. **CONTRACTOR** shall pay promptly all contributions or amounts due to the State Industrial Accident Fund and the State Unemployment Compensation Fund from **CONTRACTOR** or any subcontractor in connection with the performance of the contract.

19. **CONTRACTOR** shall not permit any lien or claim to be filed or prosecuted against **CROOK COUNTY** due to any labor or material furnished by **CONTRACTOR**. **CONTRACTOR** shall assume responsibility for satisfaction of any lien so filed or prosecuted and shall defend against, indemnify, and hold **CROOK COUNTY** harmless from any such lien or claim.

20. **CONTRACTOR** and any subcontractor shall pay to the Department of Revenue all sums withheld from employees pursuant to ORS 316.167.

21. If **CONTRACTOR** fails, neglects, or refuses to make prompt payment of any claim for labor or services furnished to the **CONTRACTOR** or a subcontractor by any person in connection with the public contract as such claim becomes due, **CROOK COUNTY** may pay such claim to the person furnishing the labor or services and charge the amount of the payment against funds due or to become due to the **CONTRACTOR** by reason of the contract. The payment of a claim in the manner authorized hereby shall not relieve the **CONTRACTOR** or its surety from the obligation with respect to any unpaid claim. If **CROOK COUNTY** is unable to determine the validity of any claim for labor or services furnished, **CROOK COUNTY** may withhold from any current payment due **CONTRACTOR** an amount equal to said claim until its validity is determined, and until the claim, if valid, is paid by the **CONTRACTOR** or **CROOK COUNTY**. There shall be no financial acceptance of the work under the contract until all such claims have been resolved.

22. **CONTRACTOR** shall make payment promptly, as due, to any person, co-partnership, association, or corporation furnishing medical, surgical, hospital, or other needed care and attention, incident to sickness or injury, to the employees of **CONTRACTOR**, of all sums which the **CONTRACTOR** agreed to pay or collected or deducted from the wages of employees pursuant to any law, contract, or agreement for the purpose of providing payment for such service.

23. For all public contracts, with certain exceptions listed below, **CONTRACTOR** shall not employ an employee for more than ten (10) hours in any one day, or forty (40) hours in any one week except in case of necessity, emergency, or where public policy absolutely requires otherwise, and in such cases **CONTRACTOR** shall pay the employee at least time and a half for:

- (a.) All overtime in excess of eight (8) hours a day or forty (40) hours in any one week when the work week is five (5) consecutive days, Monday through Friday, and
- (b.) All overtime in excess of ten (10) hours a day or forty (40) hours in any one week when the work week is four (4) consecutive days, Monday through Friday, and
- (c.) All work performed on the days specified in ORS 279C.540.
- (d.) The **CONTRACTOR** shall comply with the prohibition set forth in ORS 652.220, that compliance is a material element of the contract and that a failure to comply is a breach that entitles the contracting agency to terminate the contract for cause.
- (e.) The **CONTRACTOR** may not prohibit any of the **CONTRACTOR'S** employees from discussing the employee's rate of wage, salary, benefits, or other compensation with another employee or another person and may not retaliate against an employee who discusses the employee's rate of wage, salary, benefits, or other compensation with another employee of another person.

24. **CONTRACTOR** must give notice to employees who work on a public contract in writing, either at the time of hire or before commencement of work on the contract, or by posting a notice in a location frequented by employees, of the number of hours per day and days per week that the employees may be required to work.

25. If applicable, the hourly rate of wage to be paid by any **CONTRACTOR** or subcontractor to workers upon all public works shall be not less than the prevailing rate of wage for an hour's work in the same trade or occupation in the locality where such labor is performed, in accordance with ORS 279C.800 - 279C.870.

26. The **CONTRACTOR**, its subcontractors, if any, and all employers working under the contract are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017, which requires them to provide workers' compensation coverage for all their subject workers.

A list of entities that have enacted such laws or regulations is found in the Oregon Attorney General's Model Public Contract Rules Manual.

28. This contract may be cancelled at the election of **CROOK COUNTY** for any substantial breach, willful failure, or refusal on the part of **CONTRACTOR** to faithfully perform the contract according to its terms. **CROOK COUNTY** may terminate the contract by written order or upon request of the **CONTRACTOR** if the work cannot be completed for reasons beyond the control of either the **CONTRACTOR** or **CROOK COUNTY**, or for any reason considered to be in the public interest other than a labor dispute, or by reason of any third party judicial proceeding relating to the work other than one filed in regards, and when circumstances or conditions are such that it is impracticable within a reasonable time to proceed with a substantial portion of the work. In either case, if the work is suspended but the contract not terminated, the **CONTRACTOR** is entitled to a reasonable time extension, costs, and overhead per ORS 279C.655. Unless otherwise stated in the contract, if the contract is terminated due to the public interest, the **CONTRACTOR** shall be paid per ORS 279C.660.

29. If **CROOK COUNTY** does not appropriate funds for the next succeeding fiscal year to continue payments otherwise required by the contract, the contract will terminate at the end of the last fiscal year for which payments have been appropriated. **CROOK COUNTY** will notify **CONTRACTOR** of such non-appropriation not later than thirty (30) days before the beginning of the year within which funds are not appropriated. Upon termination pursuant to this clause, **CROOK COUNTY** shall have no further obligation to the **CONTRACTOR** for payments beyond the termination date. This provision does not permit **CROOK COUNTY** to terminate the contract in order to provide similar services or goods from a different contractor.

30. **CONTRACTOR** agrees to prefer goods or services that have been manufactured or produced in this State if price, fitness, availability, or quality are otherwise equal.
