Director's Report

May 2025

Prepared by Sarah Beeler, Director of Library Services

Facility

- The ODHS grant for a 100kW diesel backup generator has been placed on the 4/30
 Crook County Work Session Agenda. When another grant recipient declined, ODHS
 asked if we'd like to do the grant if they increased the amount to \$164,000. If
 approved, the Library would have until December of 2026 to spend the funds for the
 backup generator.
- The initial disbursement check from ODOT for three eBikes has been received, \$23,407.79. Invoices for three eBikes and eBike accessories have been submitted to Finance. Total grant amount, \$58,480.67, to be spent by December of 2027. The eBikes will be a wonderful addition to the Library of Things collection and they will give library patrons the opportunity to explore a fun and different mode of transportation this summer.

Staff

- Some staffing and service changes are expected due to our final budget numbers.
 - Anticipated cuts include the following:
 - Closing on Saturdays, our least busy day beginning July 1st.
 - Changing open hours to Monday Friday 8am 9 am (self-service hours), 9am-6pm for regular hours.
 - Self-service hours will be explored and, if successful, additional hours will be added if funds for security badges and extra security cameras can be found.
 - Library Director is currently working 2.5 positions. Starting July Ist, we are going to respectfully request moving Brenda Ford to full-time Outreach. Brenda will take over visits to early learning centers, rural schools, and rural stops. She will continue with the Words on Wheels Outreach program. We are expecting Steins Pillar Elementary to have their own school library next year. Congratulations, Steins Pillar Elementary!
 - If funds can be secured, Hoopla will be reinstated. A large fundraising effort
 may be required to earn approx. \$24,000. Patrons have asked if they can
 adopt Hoopla. We've received hundreds of calls about the suspension of
 this service. All options will be explored.

Strategic Planning Update

• Funds in the budget were not approved to conduct the 2nd cultural site analysis on the 622.11 acres owned by Oregon Department of State Lands. Sarah has applied for grants to conduct a 2nd cultural site analysis. She has been in contact with Oregon Department of State Lands. They are patiently waiting for Crook County to conduct the 2nd cultural site

analysis. One of the archaeologist who submitted a bid, is still interested in doing the project. His bid was \$13,290.

Other

• Sarah shared the final Crook County Library Budget. We are still planning to upgrade the Library catalog to Vega Discover this summer.
