PLANNING DEPT

Hello,

I think the Dollar General would be a great addition to the community. Residents in the area won't have to drive all the way into town for essential items. I also don't see a huge concern with traffic because I think the majority of the people that will shop there will be people in the area. I have seen Dollar General thrive in the communities of Mill City and Madras.

Please include me "In support" of the dollar general!

Sincerely,
Chelsea Felker, Resident of Juniper Canyon
