CROOK COUNTY
APR 11 2024
PLANNING DEPT

I want to convey my objection to the counties proposed plan. One way in and out is currently inadequate. The county can't enforce the speeding drivers as it is. Wildfire classification being rolled out this season will likely be regarded as "extreme" in Juniper Canyon. We've had a wildfire 2 years ago as well as numerous vehicle fires along the road. It is disappointing to learn the county is interested in rezoning and profiting from a land sale instead of regarding the landowners safety and well being. Ruth Peterson, juniper canyon resident.
