Subject: Dollar General Proposal

PLANNING DEPT

We live on View Top Road, Prineville OR, which would be in close proximity to the proposed Dollar General. We are opposed to the Dollar General being built near Ironwood Estates as we feel it would negatively affect our property values. We feel a store such as this would be better received in the city limits where customer volume would be higher. Juniper Canyon Road is already well traveled, and we feel any additional traffic & congestion would only make things worse and more dangerous.

Thank you for hearing our concerns...
