I live in Juniper Canyon. I am NOT in favor of allowing a Dollar General Store in our area.

1. This company sells cheap junk we do not need, and is known for false advertising.
2. It will take away money from other local businesses in town and our one small local store up here in the canyon.
3. It will create more traffic and crime problems we do not desire up here that the county will have to respond to.

I feel the negatives far outweigh any positives you can present.

Thank you for your consideration.

Sincerely, Carol Kracht
