PLANNING DEPT

I just found out about this via a Next Door post. I'm wondering why more notice wasn't given to residents?

This is a bad idea. Without secondary access out of Juniper Canyon, in case of emergency, the additional traffic is not needed. A chain store is also unwanted; there are mom & pop markets that would be negatively affected. They're trying to lease Richies - it would be a better idea to put effort into making that a going concern as a mini market.

Please reconsider this I'll conceived notion. DG is not wanted or needed on Juniper Canyon!

I understand the public hearing date has been changed? Can you provide me the info on date, time, and location?

Thank you,
Merci Pickrell
