To whom it may concern;

I am opposed to changes in the zoning code that would allow a Dollar General to be built along the Juniper Canyon Highway.

The County Judge, in the last 8 years hasn't made the decision to prioritize a second access road to Juniper Canyon. It has been a monumental flaw in County planning to continue placing citizens at high risk by issuing new building permits under existing code much less changing code that would result in more building permits and congestion.

Peggy Hamlin

Resident of Juniper Canyon
