To whom it may concern,

My husband and I bought our lot in Ironwood Estates in 2002. We moved into our home in 2004. Our property is zoned residential.

The proposed Dollar General Store is between the two roads that afford access to Ironwood Estates from Juniper Canyon Rd: S.E. Ridge View Rd. & S.E. View Top Ln. To allow a commercial Dollar General in the middle of our residential development is unthinkable and, I would hope, illegal.

Put the commercial Dollar General Store in a commercial zone in downtown Prineville. Don't put a Dollar General in my residential neighborhood!
