We don't want a dollar general location up juniper canyon it's a horrible spot and would negatively impact our rural life and the value of our properties, this location would draw unwanted traffic and trash to our area and being there is only one way in and out of here it's a bad idea. Many have moved out here to get away from the city life and chain stores that plague the city's, it's beautiful country out here and the last thing anyone wants or needs is a dollar general. You should be planning on a alternate route to evacuate the canyon if a large wildfire should ever arise. WE DO NOT WANT A RETAIL STORE UP THE CANYON PLEASE CONSIDER THIS AS A BAD IDEA PERIOD!
