I am against a dollar general being approved for Juniper canyon because:

The land where "Granny's" is located is approved for a convenience store.

Richie's place plans on opening this summer.

We have the pantry grocery off Upper Davis if we don't want to make a run into Prineville for last minute grocery supplies.

The above business have staffing problems.

If the Dollar General is approved, for safety reasons, a turn lane will need to be installed.
