## IN THE STATE OF OREGON FOR THE COUNTY OF CROOK

IN THE MATTER OF

ORDER # 2024-31

Ordering fees for fiscal year 2024-2025 budget, beginning July 1, 2024.

**WHEREAS**, ORS 294.160 requires the establishment of fees by county governing bodies by order or ordinance after providing the public an opportunity to comment; and

WHEREAS, this Order replaces any prior orders or amendments for fees for prior fiscal years (last amended on July 1, 2023); and

WHEREAS, this Order reflects changes to fees which have not been raised in the preceding six months.

- NOW, THEREFORE, BE IT ORDERED BY THE CROOK COUNTY BOARD OF COMMISSIONERS that the fees outlined in the attached Exhibit A are set for the fiscal year 2024-2025 commencing upon the effective date of July 1, 2024, which shall continue in effect until amended by the Crook County Board of Commissioners or amended by operation of law:
- **BE IT FURTHER ORDERED** that the Crook County Board of Commissioners adopts as part of the county fee schedule those fees authorized to be collected by local governments by Oregon Revised Statutes and Oregon Administrative Rules, and other applicable laws.
- BE IT FURTHER ORDERED that County department heads may impose additional fees related to generating custom information and records searches requested by the general public not covered herein in an amount sufficient to recover the actual costs incurred in obtaining and preparing such information, including all wage and benefit costs related to production and supervision, transportation costs, duplications costs and any other costs which such search may require. In the event that a department head shall plan to charge such a fee, the department head shall give notice in advance, along with an estimated cost, and shall require payment in advance. In the event that final cost exceeds the estimated cost, the department head involved shall notify the requesting party that additional cost will be incurred and shall not deliver a final work product until full payment has been made. In the event that payment by the requesting party exceeds payment, refunds shall be made only after the requesting party has submitted a claims sheet to the county finance department through normal processes of reimbursement.

- **BE IT FURTHER ORDERED** that fees shall be charged in accordance with the attached schedule unless waiver is authorized by the Crook County Board of Commissioners.
- **BE IT FURTHER ORDERED** that these fees shall continue in effect until modified, amended, removed, or otherwise adjusted by the Crook County Board of Commissioners.
- **BE IT FURTHER ORDERED** that County staff members are authorized to make formatting and pagination changes to improve readability, but which may not alter the fees described herein.
- **BE IT FURTHER ORDERED** that no new fee shall be charged during the fiscal year unless first authorized by the Crook County Board of Commissioners or established by regulation, rule, statute, or law of the State of Oregon.

The above Order is hereby approved on this 5th day of June 2024.
